

*Regarding the graces of Divine Mercy Sunday,
Jesus told St. Faustina,*

“The soul that will go to Confession and receive Holy Communion shall obtain complete forgiveness of sins and punishment” (Diary, 699).

This is an extraordinary promise because normally, when we go to Confession, the eternal punishment due to sin (i.e., hell) is removed, but the temporal punishment due to sin (i.e., purgatory) may still remain (see Ps 99:8).

But ALL sins and punishment are removed by the grace of Divine Mercy Sunday
when we fulfill the conditions of:

- ◆ Professing a valid Confession
- ◆ Worthily receiving Holy Communion
- ◆ Repenting and committing to trying to amend our life.

In fact, the grace of Divine Mercy Sunday has been compared to the grace of Baptism. It forgives all sins and provides for the removal of all punishment due to sin (even for sins forgotten to be confessed) and is fully effective even if our contrition is less than perfect.
