

All Saints Catholic Church

Parish School of Religion

2019/2020

Dear Parents,

Welcome to All Saints' Parish School of Religion! All Parish children in Grades Kindergarten-Fifth who are NOT attending Catholic School are invited and encouraged to enroll to learn the tenets of their Catholic Faith thus enabling them to become well informed Catholic Christians. This handbook covers everything you need to know about the Parish School of Religion at All Saints. Please read it carefully and note those dates that pertain specifically to your child/children.

Fill out an application for each child who will be attending. We are constantly updating our records so your accuracy is important. Mail the applications back to us or deliver them in person as soon as possible. The deadline for the Monday/Tuesday Sessions is Friday, August 9. At the teachers' request, we are holding class size to 12 students so first come, first served. Your cancelled check will be your receipt. Teachers will call students with their classroom assignment prior to the first day of class.

If your child is in the Second Grade, we would appreciate your including a copy of their Baptismal Certificate with the application unless they were baptized at All Saints.

The volunteers and the staff have planned a wonderful program, but we are only part of the educational process. We are very much aware of the fact that parents are the primary educators of their children in the ways of faith and our role is simply to help and support you. Our role is made very difficult and is very much diminished if there is poor attendance by your child at class, and a failure to review the classroom lessons with your child at home. Also there is little point for our teachers to stress the importance of prayer and Mass attendance if the children see that these are neglected in the home.

The children will be exposed to a variety of Catholic traditions this year, but the exposure means so much more if these traditions are important to you and your family. You will be invited to all of our special family functions, and we look forward to your family joining us.

You, as parents, are the most important part of our team, and we welcome your comments and your suggestions. Please feel free to call our office with any suggestions you might have.

Sincerely,

Dozie Bowen

School Year 2019/2020

DISCIPLINE POLICY

According to the document on education from Vatican II, the parents are the primary religious educators of their children.

It is our function to help the parents in their work.

Our teachers are all volunteers working with about twelve students per class. The behavior of one cannot interfere with the learning of the others in the class. Our policy, therefore, is as follows:

If a teacher finds it impossible to meet the needs of the entire group due to the disruptive behavior of one, that disruptive child will be removed from the classroom. The administrator will then call the parents to take the child home. The child will only be readmitted to class if accompanied by the parents to the following class for discussion with the teacher.

If the child is unable to function in the community of the classroom, the parents will be given appropriate materials for his or her religious education in the home.
