

Dear All Saints Parishioners,

At Atlanta Habitat for Humanity our vision is for an Atlanta where all people have access to quality affordable housing in safe, vibrant neighborhoods with opportunities to thrive. For twenty-seven years you have been our partner in realizing this vision. 2020 has been a difficult year and especially tough for those living in housing poverty. I am so grateful that you have once again chosen to generously support this initiative and help another well deserving family obtain a better life. Your Habitat project not only helps the family build a home but it also helps them build stability, financial security and gain upward economic mobility. This powerfully positive impact would not be possible without your support.

As both an employee of Atlanta Habitat and a member of All Saints, I can attest to how extraordinary you all are! All Saints is the only Catholic Church sponsoring Atlanta Habitat that supports an entire house build on its own. When many sponsors stepped back citing fundraising difficulties during a pandemic, you rallied together to reach the goal of \$58,000! And when we had to cancel all on-site work for the year due to safety concerns, the dedicated All Saints volunteers who have made the build an annual tradition were disappointed, but understanding.

As fundraising is now complete and the build has begun I look forward to sharing the progress with you along the way. Your homebuyer, Taina and her family are so grateful for the investment you have made in their future. Thank you for being such a valued partner of Atlanta Habitat for Humanity, God bless you all for your generosity and kindness!

Sincerely,

Jenny Will

Sponsorship Manager- Atlanta Habitat for Humanity
